

AHA Instructor Renewal 2022

This course is for **'current VCMC AHA Instructors'** who are eligible to renew their provider/instructor status in 2022. **If your AHA Instructor cards(s) are going to EXPIRE during 2022, you must attend one of the February or March AHA Instructor Renewal Courses.**

Please note: If your instructor status expires any time in 2022 you must attend one of the February or March Renewal Dates if you are planning on maintaining your AHA instructor status, check your expiration dates...there will not be any renewal courses later in the year). AHA Instructor Renewal courses will ONLY be held in February & March 2022!

>This course is for AHA Instructor Renewal which includes provider status. If you do not attend, you will lose your instructor & provider status and must register separately for a BLS, PALS and/or ACLS Provider Course prior to your 'expiration date' to renew your 'provider status' before it expires. Additionally, employees must notify your manager AND update your certification form to prevent any issues with instructor cert pay.

>If you are on a leave please email Karen as soon as possible to discuss options karen.bateman@ventura.org
