

American Heart Association ‘HeartCode ACLS’

online e-learning instructions - 2022

- I. Go to: www.elearning.heart.org
- II. Select ‘Courses’
- III. Select: ‘Advanced Cardiac Life Support (ACLS)’
 - *you will be redirected to shopcpr.heart.org for purchasing*
 - *scroll through book options etc. until you find ‘HeartCode ACLS’*
- IV. Select: “HeartCode ACLS’ online then add to cart (\$151 – 2020/New Guidelines)
- V. ‘Check out’ & ‘submit order’
- VI. Input payment information
- VII. Then scroll down and click on ‘Go to Course’
 - *It will redirect you back to ‘elearning.heart.org’ to begin course*
 - *Will ask you to ‘sign in’ OR ‘create an account’ if this is your first purchase*
 - *Course takes approx. 4-6 hours – don’t procrastinate, site can be down for maintenance etc.*
 - ***Note: be sure to read online Course Details, FAQ and Tech info before purchasing/beginning***
- VIII. When you finish online course, complete the online ‘evaluation’ **AND print off course completion certificate and bring to skills session/class**
 - Also, print off CE for your records – only available for 6 months
- IX. **You will also need to attend ‘ACLS Skills Session’ to complete course and receive your ACLS card – to register/pay for skills session go to:**
www.vcnursingeducation.org

To complete pre-course online learning later and/or to go back in to review:

- A. Go to www.elearning.heart.org to sign back in
- B. then click on your name (if you previously created an account, otherwise you will need to do so first)
- C. select ‘classes’ from drop box
- D. select ‘HeartCode ACLS’ course to complete – remember to print off a copy of your ‘course completion certificate’ AND bring with you to skills session!
